Robert Ploghoft Award

History of this Award

Robert Ploghoft was a young 4-H member who loved animals and 4-H. He was a very involved young man. He battled cancer in the 1990 always worrying about others. His life was cut short by the disease, he was 23 at the time of his death. San Juan Ramblers decided to rename their award for Robert in his memory. We continue to give this award on the basis of the following pages.

Scholarship Award

The members of the San Juan Ramblers award up to \$750 per year. Applications will be reviewed by a committee of San Juan Leaders, to be chosen by the Executive Board of the San Juan Ramblers. The selection committee has the right to vary the scholarship amount if the committee chooses to do so.
